

Prescription Drug Collection & Education Event

LOCAL SENIOR CENTERS Wednesday, May 17

The Hubbard County Sheriff's Department will talk to attendees about:

- » How to protect yourself from becoming a victim of prescription drug crimes.
- » How you can help prevent prescription drug abuse.
- » How improper disposal of prescription drugs negatively impacts our environment.

Prescription, over-the-counter, and pet medication in any form is accepted. Bring your medication in its original container with the label, and place in a sealed, clear, plastic bag. If the medicine is a prescription, use a marker to cross off the name. Leave all other information on the container.

Bring your unused prescription medications to the senior center for safe disposal at the following times and locations:
